

THE #1 HEALTH EXECUTIVE MBA IN FLORIDA.

Miami Herbert Business School's Health Executive MBA (HEMBA) is designed for working healthcare professionals seeking a career-changing learning experience. Whether you're switching from business to healthcare, or healthcare to business, our quadruply accredited program is designed to help you become a leader.

HEMBA IS PERFECT FOR...

Physicians, nurses and other clinical providers, as well as executives, managers, and other professionals who want to make an immediate impact on the health care industry.

WHAT YOU'LL GAIN

Interdisciplinary insights enriched by a diverse cohort of executive healthcare professionals across all fields.

Highly relevant business expertise applicable in medical, corporate, and other health care-focused settings.

Flexibility to continue working while advancing your career. You'll meet in Miami just one weekend a month for 21 months.

Six Sigma Champion Certification as well as AMA credit for physicians who can apply for 25 AMA PRA Category 1 credits.

#3

With healthcare representing the third-largest industry in the U.S., this degree makes you infinitely marketable.

HEMBA is the only program of its kind with four accreditations: AACSB (business), CAHME (health management), AMBA (global), and EQUIS (global).

In our 45-year history, HEMBA graduates have become leaders in clinical practice, health systems, and the life sciences.

Thanks to HEMBA's stature, Miami Herbert is a member of the Business School Alliance for Health Management (BAHM), a select group of only 21 top business schools worldwide.

AAU MEMBER University of Miami is an AAU member with a 'triple crown' accreditation status (AACSB, EQUIS, AMBA accreditation)—a feat achieved by less than 1% of business schools worldwide.
