

ACCELERATE YOUR PATHWAY TO LEADERSHIP WITH A HEALTH EXECUTIVE MBA

The Miami Herbert Business School's Health Executive MBA (HEMBA) provides established and rising health care leaders with the expertise they need to improve clinical and business operations and, as a result, patient care.

So, if you're a working health care professional seeking valuable new skills, insights, and career pathways, **#YourTomorrowStartsHere.**

IS A HEALTH EXECUTIVE MBA RIGHT FOR YOU?

You are a physician, nurse, therapist, veterinarian, dentist, or other clinician, or an executive or rising professional in the health sector.

You have 7 or more years of professional experience.

You are determined to make an immediate impact in the health sector.

THE MIAMI ADVANTAGE.

#1 GROWTH STATE

Florida is ranked the fastest growing U.S. state by the U.S. Census Bureau, with health care a top economic pillar.

INDUSTRY LEADER

Florida has the second largest medical device and drug manufacturing industries in the U.S., and the fifth largest biotech R&D industry.*

MAJOR MEDICAL HUB

Miami is home to the second largest hospital complex in the U.S.

WHAT'S IN IT FOR YOU?

Gain highly relevant business knowledge and skill sets to apply immediately within a variety of medical, corporate, and other professional health care-focused settings.

Benefit from a rich collaborative, interdisciplinary learning environment. HEMBA attracts clinicians, executives, and other health care professionals with different experiences and perspectives.

Learn from respected research faculty who bring real-world industry experience into the classroom. HEMBA faculty include two former U.S. Secretaries of Health and Human Services.

CHANGE YOUR CAREER WITH A GAME-CHANGING PROGRAM.

- The schedule is designed to work for you. You'll meet in Miami one weekend a month over 21 months and graduate with a Six Sigma Certification. Physicians can apply for 25 AMA PRA Category 1 credits.
- HEMBA offers a robust leadership and management focus, a benefit of being one of only a few U.S. health care executive MBA programs based in a business school.
- You will engage with accomplished peers, alumni, and industry leaders representing regional, national, and international health care organizations.

THE MIAMI HERBERT BUSINESS SCHOOL DIFFERENCE.

#1 FLORIDA PROGRAM

HEMBA is the top health executive MBA program in Florida and among the top health executive MBA programs in the United States.

(US News & World Report)

QUADRUPLE ACCREDITED

HEMBA is the only program of its kind with four accreditations: AACSB (business), CAHME (health management), AMBA (global), and EQUIS (global).

UNIQUE BUSINESS FOCUS

In its 45-year history, HEMBA has graduated more than 1,000 students. Alumni are leaders across the health care spectrum, from clinical practice to health systems to life sciences.

PEER RECOGNITION

Thanks to HEMBA, Miami Herbert is a member of the Business School Alliance for Health Management (BAHM), a select group of only 21 top business schools worldwide.
